

Hands On SA
Inspiring Better Lives

Business Solutions

Established in 1963, Hands On SA is a not for profit professional South Australian enterprise providing employment to people living with a disability to deliver high quality and competitive services to business.

Looking for a solution to your business problem? Help is at Hands On SA.

Hands On SA is passionate about helping customers with effective business solutions while enriching the lives of people living with a disability.

We take pride in achieving fast turnaround, quality service and on time delivery. We assist businesses across a range of industry sectors by working with them to provide value adding solutions that meet their individual specifications.

Let Hands On SA lighten your workload.

Food Packaging

With our HACCP accreditation, Hands On SA provides semi-automated filling of retail packs and hand finishing of boutique products completed with meticulous attention to detail and to your high quality standards.

- High volume runs of retail packs
- Deluxe gift baskets
- Gourmet food hampers
- Specialist products

We label, fill and weigh, heat seal, make up specialist packaging, tie bows and ribbons and pack for dispatch.

Some of the dry food products we package include:

- Flour, cereals and grains
- Dried spices
- Dried fruits
- Nuts
- Carob powder and nibbles
- Dukkah
- Rice crackers, pretzels and snacks
- Legumes
- Confectionery
- Organic food

We fill bags, pouches, tubs, pails, boxes and baskets.

Custom Assembly and Packaging

Our custom built food packaging rooms allow us to provide time saving and efficient solutions to your packaging problem or need to minimise costs.

- Dry food packaging – customised HACCP quality accredited facilities
- Product and component bagging with header cards
- Repacking and relabelling - over-labelling (wine industry)
- Shrink-wrapping gift baskets and gourmet food hampers
- Liquid and powder decanting, filling and bottling
- Hand wrapping and packaging of premium gifts and awards
- Cosmetic decanting, bottling and labelling
- Non-sterile pharmaceutical packaging
- Vacuum sealing

Hands On SA assembles and packages a wide range of various types of components including hardware, irrigation, electrical, plumbing, automotive and garden components.

Mail Campaigns

We can assist you to achieve the most economical mailing costs by accurately assembling, sorting, delivering and lodging your mail campaign.

Services include but are not limited to:

- Folding, collating, enveloping and labelling
- Laser printing name and address labels and personalised mailing sheets from your database
- Specialist assembly
- Wrapping, gluing, branding, sealing
- Bagging, addressing fly sheets and heat sealing of magazines and newsletters ready for postage according to Australia Post standards.

Print Finishing

Hands On SA can assist with almost anything that cannot be assembled using machinery and which requires hand finishing and real attention to detail.

We:

- Assemble
- Laminate
- Stick & Glue
- Wrap, shrink wrap and pack
- Insert and envelope
- Collate

Wine Solutions

Hands On SA provides professional packaging services for the beverage industry. Across wine, soft drinks, water, beers and oils.

Specific services include:

- Specialty wine wrapping
- Gift packs
- Packaged wines for presentation, promotional and marketing show packs
- De-labelling
- Over Labelling
- Clean skin labelling
- Repacking
- Packing into cartons and sealing with hot melt glue
- Palletise and wrap for secure transport
- Short term storage and distribution solutions

No job is too big or too small.
